General Concept

The FIM X-Trial des Nations (Competition by National Teams) will be organised at the end of the X-Trial World Championship season.

Place & dates: **Nice, France - 1st April 2016.**

Five Teams are selected according to a criteria :

France, Spain, Great Britain, Italy & United States

Composition of the teams: 2 riders (from which one to be under 25 years old) and 1 Team Manager selected by their National Federation (FMN)

Each Team will receive a bonus in relation to the result of the team.

Sport Aspect

The event will include 2 laps. Each lap will have a « Race » (Double Lane or Speed Section) followed by 6-7 Normal Sections.

The Format by Team allows the two riders to obtain at each lap a common result for their Nation.

1st lap :

Each Team Manager chooses a rider from his team which will participate to the « Race ». The results will determiniate the order of the passing of the teams.

Then, the two riders of each team will be on the Course of 6-7 Sections. The Team Manager will choose which rider will ride 3 Sections, the other rider will rider the other 3-4 Sections. Each Section will be riden within and inidcated time.

Sport Aspect

2nd lap :

Considering the classification order of the 1st lap, the rider of each team who has not participated at the « Race » at the 1st lap will participate at the 2nd.

The results will determinate the Team's passing order on the 6-7 Normal Sections normales of the 2nd lap.

Then, the two riders of each team will be on the course of the 6-7 Sections. The Team Manager will choose which rider will ride the 3 sections and which rider will ride the other 3-4 Sections.

A same rider will not ride the same section at the 1st and 2nd lap.

Sport Aspect

RESULTS:

At the end of the 2nd lap, the results of the first and second lap will be added to be able to establish the final FIM X-Trial team classification.

The team having less points will be the winner.

Sport Rules:

Based on FIM X-Trial des Nations Appendices 058.
